# TU Alert

01 — KEY PARTNERS

## Key Partners

- Thammasat facilities management (issue resolution)
- Security office / fire-safety unit (incident confirmation)
- Student affairs & TEPE program (launch channel)
- Faculty administrations (pilot sites)
- Push / messaging providers (alert delivery)

02 — KEY ACTIVITIES

## Key Activities

- Build & run alert + complaint app
- Incident confirmation workflow
- Complaint triage & status updates
- Pilot, gather data, pitch security office

03 — KEY RESOURCES

## Key Resources

- Self-built tech on existing stack
- Admin dashboard & complaint/incident data
- Push notification infrastructure
- 6-person team; TEPE access

04 — VALUE PROPOSITIONS

## Value Propositions

- Students: know instantly if an alarm is real or a drill
- Report a broken/hazardous item in seconds: photo + category + location
- See complaint status — never "disappears into silence"
- Two-tier alerts: rare, high-priority push kept apart from routine noise
- University: faster fixes, resolution-time tracking, fire-safety audit trail

05 — CUSTOMER RELATIONSHIPS

## Customer Relations

- Self-service app, no one to chase
- Automated status updates on every complaint
- Hands-on pilot support for faculty admins
- Usage & resolution-time reports

06 — CHANNELS

## Channels

- Mobile / web app with push alerts
- Launch via TEPE program (no gatekeeper)
- Word of mouth among students
- Direct pitch to security office & faculties

07 — CUSTOMER SEGMENTS

## Customer Segments

- Users: students & staff in affected campus buildings (e.g. Ploy, Year 2 engineering, dorm near Rangsit)
- Paying customers: facilities management, security office, student affairs
- Start with one faculty, then expand

08 — COST STRUCTURE

## Cost Structure

- Build: ~0 THB cash, ~1 sprint for MVP (team time)
- Hosting: a few hundred THB / month
- Later: security-system integration, maintenance, support

09 — REVENUE STREAMS

## Revenue Streams

- Free single-faculty pilot (proves value, no budget approval needed)
- Subscription: THB 15,000–30,000 / year per faculty once proven
- Students always free; the university pays (B2B2C)
- Anchor: trivial vs. one delayed-incident liability or PR event
